

Recess Runners

IT'S BACK!!

DeMasi Elementary PTA is excited to bring back the Recess Runners running program for students! This adds a fun and healthy component to their recess period.

EVERY OTHER FRIDAY STARTING SEPTEMBER 27th

Here's How It Works

Students that choose to participate will collect a popsicle stick for every lap they run around the soccer field. Once they collect 4 popsicle sticks (1 mile), they can trade them in for a charm. Students can collect a variety of charms to add to their lanyard necklace.

Please be sure your child brings their lanyard from last year. Kindergarteners and new students will receive a lanyard on the first day of Recess Runners.

Replacement lanyards are \$1

VOLUNTEERS NEEDED!!

This program is run by parents, so we need parent volunteers to make it successful!

Work locally or from home? Stop over during your lunch break for 30 mins to help! It's a great chance to see your child during the day and help the PTA!

Look for a sign up genius via email, text remind, and on Facebook to sign up for a timeslot. Any help you can provide is greatly appreciated!
